

Art Unit: 1795

Applicants' representative proposed to provide a showing of unexpected results in the form of a Rule 132 declaration to overcome the rejections over Niimi, the rejections over Tamoto and those of Ishii. The examiner replied that the showing should be commensurate in scope with the instant claims and compare to the closest prior art. See the office action mailed on Aug. 14, 2008, pages 44-45 regarding Niimi and Tamoto, and pages 46-47 regarding Ishii.
